

# The "Little Mermaid" Gospel

By Tamarée Goertzen

Do you ever *long for more*? More time, more money, more talent, more love? And do you ever feel like everyone else already has all of those things? Like somehow you missed the memo on how to get the *perfect life*, and if you could only live *in their world* instead of yours, everything would be better. Let me tell you, *sweet soul*, the **CRUSTACEAN SEBASTIAN** said it best, "The seaweed is always greener in somebody else's lake." But what about **YOUR LAKE**? What about your *sea of doubt* and *fear* and *regret* and *guilt*? What about that *longing*, that deep down *soul ache*, that never seems to be filled? We long for a world that is different -

free from *pain* and *sorrow*. We are longing for a better world - a *heavenly* one. Yet, it seems we are always *drowning* in a *sea of sin*. We are flipping our fins and getting *nowhere*. We are *yearning* for a place in the sun where we can wander free, but how do we get there? What can these fins do but barely keep us afloat? The *truth* is, our fins can never get us out of the sea. We need a *Savior*. We need a *Prince* who

will pick us up out of these deep waters and carry us into *His Kingdom*. And the beautiful news is this - **GOD MADE A WAY** for that very thing. He made a way for us, the *broken* and *drowning*, to become part of *His world*. A world of *freedom* and *grace* - an *eternity so perfect* and *beautiful* that our souls will never yearn again. He sent the *Prince* down to the depths of the sea to **RESCUE** us all.

To cover us in the blood of the *lamb*, and to make us a *new creation* - **A DAUGHTER OR SON OF THE KING!**

And as *He picks us up* and places us on the shore, we can see it so clearly. The depths of His *love came down* to our depths, and now we can be

*Part of His world.*
