Monroe E-Free Church

We serve an amazing God and King who wants to be our Heavenly Father, thus making us Princesses. Join us as we celebrate what it means to be loved by the King and how we can encourage one another as women, moms, and daughters in a Titus 2 fashion! This event is geared for females of any age!

We are an evangelical church that believes the teachings of the Bible. Specifically, we believe that Jesus Christ is the Son of God who came to earth, died on the cross to forgive sin and rose from the dead to guarantee eternal life for all who would believe in Him.

Babies & Toddlers (Up to 3)

Nursery care will be provided. There are also nursing rooms and changing rooms available.

Young Girls (Ages 3-6)

Feel free to come in your favorite princess dress up! If you do not have any dress up costumes, there will be some provided at the church to use for the day. Not only will you get to learn how to act and dance like a princess, but you will also get to create your very own tiara, beaded necklace, and color a daughter of the King picture that you can frame at home.

Older Girls (Ages 7-12)

Don't let age stop you from dressing up! We'd love to see the princess you are as well! You will also learn some new moves as we have a dance session created just for you! In addition to dancing, you will get to create some stylish flip flops, a ribbon pony tail, and a daughter of the King printable for your wall at home reminding you of the Princess that you are!

MS & HS Girls (Ages 12-18)

Do you know the influence you have in the lives of our younger girls? They LOVE watching you: singing, dancing, cheering, playing a sport, you name it, they are watching! Not only do they watch, but they LOVE to be with you! We hope that you would use this event to just be with those girls. Pick an age group and just be their friends. Show them how to include others who appear being left out. Help them with their crafts and create one next to them. Dance alongside with them. They are eager to be with YOU just the way you are!

Ladies: Q & A Time

Ask & listen to a variety of women who "have been there" on a wide range of topics. These women all come from different backgrounds (infertility, single parenting, traveling spouse, role reversals, etc.) and have dealt with a variety of issues (kids who are adopted, spirited, shy, outgoing, popular, outcast, a bully, a victim, gay, depressed, disabled, over-achiever, attend different schools: home, private, public, loss of a child, etc). They admit they are not experts and that every kid is different, but they are willing to share what they have learned and how God has been there through it all.

Panel Session A1

Content will focus on the delicate issues of being kidless due to choice or external circumstances.

Panel Session A2

Content will focus on MS & HS: dating, friendships, modesty, dances, curfews, over-scheduling, etc

Panel Session B1

Content will focus on kids up through grade school: potty training, disciplining, puberty, sleepovers, etc

Panel Session B2

Content will focus on kids leaving the nest, grown children, loving your spouse, & dealing with aging parents.

Door Prizes

Several door prizes will be given throughout the event, but you must be present to win. Prizes include Norwex, Pampered Chef, Thirty-One, Jamberry Nails, TrinJensen Photography, wall art, devotional books, Bibles, and more!
