

Royal Princess Tea Party

SATURDAY, MARCH 24, 2018

Girls (12 & Under)

Come in your favorite princess dress up and don't let age stop you! You will be split into age groups and not only learn how to act like a princess, but hear some etiquette lessons from Miss Nebraska, create beautiful art like Rapunzel, sing, dance, & much more! Nursery is also provided for children under 3.

MS & HS Girls (Ages 12-18)

Do you know the influence you have in the lives of younger girls? They LOVE watching you: singing, dancing, cheering, playing a sport...you name it, they are watching! Not only do they watch, but they LOVE to be with you! We hope that you would use this event to be with those girls. Show them how to include others who may appear being left out. Help them with their crafts and create one next to them. Dance alongside them. They are eager to be with YOU just the way you are! Not only will you find yourself having a good time, but you will also receive community service hours for your help with this event!

Ladies (Ages 18+): Gaining Wisdom Sessions

Ask & listen to a variety of women who "have been there" on a wide range of topics. These women all come from different backgrounds: single, newly married, seasoned in life, etc. They have also dealt with a variety of things: infertility, single parenting, traveling spouse, role reversals, working mom, stay at home mom, etc. and have also had unique experiences with the following: kids who are adopted, spirited, shy, outgoing, popular, outcast, a bully, a victim, gay, depressed, disabled, over-achiever, the loss of a child as well as having kids who attend different schools: home, private, public. They admit they are not experts and that every situation is different, but they are willing to share what they have learned thus far in life. Sessions are listed on the back of this sheet.
